DATE:

Dear Parents

Attached please find the Text Book Order List for your child for 2025. Please ensure that all books issued by the school are returned before the end of the year so that they can be issued to the new learners in the grade next year.

An order form for each learner must be completed and returned to the school, with payment, by 31 October 2025. Book fees may be deposited into:

King Edward High School
FNB Matatiele
Branch Code: 250655
Acc number: 52981201067
Ref: Name and surname of child and gr (in 2026)
Example: BROWN A, BOOKS GR 4

If book fees are deposited, please submit the order form and proof of payment by e-mailing to accounts@kehs.co.za AND uniform@kehs.co.za

Please take note of the following:

1. All textbooks are CAPS approved. Older editions are outdated and must not be used.
2. All books on the list are the property of the school and must be returned in a good condition. If not, the full cost of replacement will be levied to the learner's account. Children may not write in the text books.

The book deposit of R30-00 is payable for the use of each of these books. This money is used to repair books, cover them and purchase new ones when necessary.

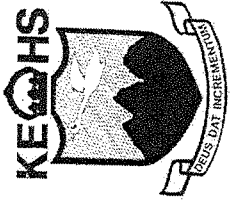

3. Certain books are not supplied by the Department and parents will purchase them for the full purchase price.

It is essential that learners order and pay for the textbooks that are required (including those that are available from the school), using the relevant form, to facilitate the efficient distribution of textbooks.

Please make every effort to pay in advance or by the due date. Late orders cause protracted delays and often books are not available at the commencement of the new year.

Your co-operation is highly appreciated.

GA Harrison
Principal

**KING EDWARD HIGH SCHOOL

10 June 2025

Dear Parents

SUBJECT CHOICES FOR GRADE 10 : 2026

Learners are required to take seven subjects for the National Senior Certificate.

Four subjects are compulsory:

1. Main Language - English
2. First Additional Language – Afrikaans or isiXhosa
3. Life Orientation
4. Mathematics or Mathematical Literacy

The remainder of the subjects are to be made up by choosing **ONE** subject from each of the following groupings:

GROUP 1	GROUP 2	GROUP 3
Life Sciences Tourism	Physical Science History	Geography Accounting
Business Studies		Computer Applications Technology

We urge you to take your child's academic ability into consideration when making your choice.

Please note that Mathematics is a co-requisite for Physical Science and Accounting i.e. your child may not take Mathematics Literacy and Physical Science / Accounting. Learners choosing Physical Science must be above average at Mathematics and should have achieved at least 50% for both Mathematics and Physical Science at the end of Grade 9. Physical Science is the most demanding and difficult subject in the present curriculum and requires both ability and a sound work ethic if a learner is to achieve at a good level.

Should you require further information, you are welcome to phone the school and arrange an appointment to discuss any queries you should have.

Yours faithfully

G.A HARRISON
PRINCIPAL

SUBJECT CHOICES FOR GRADE 10 : 2026

My child _____ will be taking the following subjects:

English Home Language

AND

Afrikaans FAL ☐ OR isiXhosa FAL ☐

AND

Life Orientation

AND

Mathematics ☐ OR
Mathematical Literacy ☐
(Please tick the appropriate Mathematics option)

Group 1
