7 September 2026

Dear Parents

SUBJECT CHOICES FOR GRADE 10 IN 2027

Learners are required to take seven subjects for the National Senior Certificate.

Four subjects are compulsory:

1. Main Language - English
2. First Additional Language – Afrikaans **or** isiXhosa
3. Life Orientation
4. Mathematics **or** Mathematical Literacy

The remainder of the subjects are to be made up by choosing **ONE** subject from each of the following groupings:

GROUP 1	GROUP 2	GROUP 3
Life Sciences	Physical Science	Geography
Tourism	History	Accounting
Business Studies		Computer Applications Technology

We urge you to take your child's academic ability into consideration when making your choice.
Please note that Mathematics is a co-requisite for Physical Science and Accounting i.e. your child may not take Mathematics Literacy and Physical Science / Accounting.
Learners choosing Physical Science must be above average at Mathematics and should have achieved at least 50% for both Mathematics and Physical Science at the end of Grade 9. Physical Science is the most demanding and difficult subject in the present curriculum and requires both ability and a sound work ethic if a learner is to achieve at a good level.

You are requested to complete and return the attached form by Friday, 11 September 2026.

Should you require further information, you are welcome to phone the school and arrange an appointment to discuss any queries you should have.

Yours faithfully

G.A Harrison
Principal

SUBJECT CHOICES FOR GRADE 10 – 2027

My child _____
will be taking the following subjects:

Languages – **English Home Language**

Choose ONE of the following:

Afrikaans FAL
