Dear Parents

VERY IMPORTANT – COMMUNICATION VIA THE NEW D6 APP

We have upgraded our D6 Communicator and would like to make full use of its features to improve efficiency and communication. This will also save the school a significant amount of money.

WE CAN ONLY DO THIS IF EVERY PARENT DOWNLOADS AND INSTALLS THE NEW FREE D6 SCHOOL COMMUNICATOR APP ON THEIR CELLPHONE OR LAPTOP.

This is very important because, in future, the school will no longer send printed circulars and will communicate with parents only via the D6 School Communicator.

Detailed instructions are provided on the reverse of this page.

PLEASE DOWNLOAD THE APP TODAY.

Thank you.

Installation Guide

Dear Parent,

Download the d6 Connect App to access all important school information in the palm of your hand.

E ective communication is the cornerstone of any successful relationship. We firmly believe in creating a school environment that will encourage and nurture the involvement of our parents. It is this connection that will have a positive impact on the overall success of the learners.

To strive towards e ective, easy-to-use communication, the school uses the d6 Connect Application. Get the information you need in real-time in the palm of your hand!
